GRAPHICAL USER INTERFACES

The image is a hand-drawn sketch of a mobile application interface. It features a status bar at the top with icons for Wi-Fi, cellular signal, battery, and the time 22:52. The main content area contains several form elements: an 'Upload Image' label next to a square placeholder with an 'X'; a 'Status' label followed by a dropdown menu currently showing 'Lost' with 'Found' as an option; a 'Lost / Found in:' label with a text input field; a 'Near:' label with a text input field; a 'When:' label with a date input field showing '06/06/2021' and a calendar icon; and a 'Breed:' label with a text input field. At the bottom, there is a 'SHARE' button and a '< Go Back' link. The entire interface is enclosed in a rounded rectangle representing a smartphone screen.
